Remarks

Built to the highest standards, Villa Amalia boasts 6 large bedrooms, each with their own private and well-appointed ensuite, a guest home and a garage with caretakers suite.

The custom winding exotic wood staircase leads to the entertainment and additional lounging area. The lap pool features sun tanning platform and LED lighting and overlooks the beach and expansive Guana Bay. And of course outdoor bar, bath and 2 showers (of course).

The main house has 5 spacious bedrooms, all appointed with their own full and luxurious ensuite bath; what you would expect and more.

The separate smaller villa has a full ocean-facing gym and spa. The building consists of 2 levels. Designed as an in-law, or nanny/servant suite on the upper floor, or even guest space.

The upper level has a full kitchen with ensuite and the bottom level is the gym with spa area.

This Sint Maarten landmark property is named after Her Royal Highness Princess Catharina-Amalia of the Netherlands, Princess of Orange-Nassau, Villa Amalia is truly an architectural gem on the Dutch Caribbean island of St. Maarten.

Villa Amalia's modern design is inspired by the lush landscape, expansive views and to experience the maximum enjoyment of the luxury Caribbean lifestyle.

The indoors and outdoors flow seamlessly creating the perfect harmony with nature and the environment. Brilliantly designed, almost every room experiences the beauty of the sea and amazing breaths of warm sea breeze.

This landmark villa has raised the level on St. Maarten / St. Martin to the highest construction standards. From the quality of construction materials and tradespeople to furnishings and finishings, the owners and architects have been fully immersed in creating perfection.

What is behind the walls is as beautiful as what you will see on the surface. Combine all that with one of the last sea-front acreages on the island, the slight elevation to maximize the view, and cosy but lavish design, and you will view this Villa as the bar for all other properties on the island.

Caribbean oceanfront Villa in Barton Estates, Guana Bay, Hill Sint Maarten / St. Martin. This sparkling luxurious one-of-a-kind ocean front villa is the essence of being spoiled.

Approximately 7,000 sq. ft of air-conditioned space on an exclusive cul-de-sac in Barton Estates St. Maarten. Villa Amalia views span Guana Bay and the vast blue waters of the Caribbean ocean. In the

evenings, enjoy the sparkling lights of the Villas long the shore and in the hills and passing ships.

Surrounded by gorgeous rock outcroppings on the shores, this villa sits up high off the water to maximize the views of the landscape, sea and surf. A gentle staircase takes you right to the water's edge and long sandy beach.

This quality and location of ocean-front land in Sint Maarten / St. Martin is rare and limited, so if that is what you are looking for, this could be your opportunity to own a prime Caribbean dream property.

Built to the highest standards, Villa Amalia boast 6 large bedrooms, each with their own private and well-appointed ensuite, a guest home and a garage with caretakers suite.

The custom winding exotic wood staircase leads to the entertainment and additional lounging area. The lap pool features sun tanning platform and LED lighting and overlooks the beach and expansive Guana Bay. And of course outdoor bar, bath and 2 showers (of course).

Features & Specifications of Villa Amalia:

The main house has 5 spacious bedrooms, all appointed with their own full and luxurious ensuite bath; what you would expect and more.

The separate smaller villa has a full ocean-facing gym and spa. The building consists of 2 levels. Designed as an in-law, or nanny/servant suite on the upper floor, or even guest space.
