Remarks

This villa is located within a upscale residential beachfront community and was built with the highest standards. Generously appointed with many extras, such as|: solar plant, library, fireplace, double-car garage, and wine cellar. Many of the building materials were imported from Germany. This mansion is completely furnished, and sold as decorated. A beautiful sandy beach in front of the door invites long

walks. The neighborhood has a controlled entrance, security service and a restaurant. For those with the most discerning tastes.
