Remarks

This fantastic, very well maintained apartment, located on the second floor, you will find in a truly unique location on the Penstraat, directly on the Caribbean Sea.

The spacious living room with open kitchen is adjacent to a large covered terrace. Here you can enjoy the spectacular sunset in a refreshing breeze. Right next to the living room is the master bedroom with a bathroom en suite and a walk-in closet. This bedroom also has access to the covered terrace. Furthermore, this great apartment has two extra bedrooms that share a bathroom and a large storage room. But this is not all! There is a separate apartment for your guests, with its own entrance. It has a living room/kitchen, two bedrooms and a bathroom and is of course also excellent for (holiday) rental.

The large swimming pool, also located on the property, with sanitary facilities, invites you to take a refreshing dip or to maintain your fitness level.

The site is accessible via a remote-controlled gate. There is sufficient parking space available.

We cordially invite you to convince yourself of the exceptional qualities of this special apartment. Therefore, do not hesitate to make an appointment with one of our brokers.
