Remarks

Blue Bay Villa plus apartment and big sized pool

This spacious villa with detached apartment and gigantic swimming pool, measuring no less than 13m x 5.5m, is located on the O-section of the luxurious Blue Bay Resort which is located directly on the Caribbean Sea. Here you can daily enjoy all the privileges that this beautiful resort has to offer.

The villa has a very spacious living room with high ceilings and many windows and sliding glass doors.

The open kitchen was completely renovated in 2019 and has plenty of cupboard space, a Korean countertop, a double sink, a 5-burner gas hob with wok burner, a combination convection oven/microwave and a double-door fridge-freezer with water dispenser and icemaker.

Through the adjacent utility room, you enter the spacious, double indoor garage with space for 2 cars. This space can of course also be used as a hobby room, storage space or converted into a studio.

From the master bedroom you have a view of the pool and garden, the sliding glass doors give access to the outdoor terrace. Through a walk-through closet with cupboard space on both sides, you enter the bathroom with a spacious rain shower, a separate toilet and a bathroom cabinet with double sink.

The 2nd bedroom with private bathroom is currently used as an office. A few meters from the villa you will find a detached apartment with 2 rooms, a bathroom and connection for a kitchenette.

In the beautiful tropical garden, with many mature trees, you can enjoy the lovely swimming pool. Due to its enormous size, the swimming pool is also very suitable for maintaining your fitness with swim training or aqua jogging.

After the workout you can relax on the sun terrace or under the cozy palapa.

There are 4 on-site parking spaces at the front.
