Remarks

Welcome to a standout residential project nestled in the seaside of Bayahibe. Our development showcases 44 meticulously designed apartment units, with sizes ranging from 30 square meters up to 80 square meters. Available in one or two-bedroom configurations, these units offer a perfect blend of comfort and style, tailored to accommodate

For added convenience, each apartment comes with its own parking space, eliminating any parking concerns. The community is further enhanced by two commercial spaces, each covering an area of 60 square meters, providing an

exciting platform for businesses to flourish within this vibrant locale.  
singles, couples, or small families.

### Directions

Complejo/condos ubicados a pasos de la paradisiaca playa de Bayahibe a tan solo 500 mts y en el centro del pueblo con todas las areas de servicios a menos de 100 mts
