Remarks

Fiddlers Green, "Sailors Heaven" is a unique property built in 2008. Located in one of the most desired residential neighborhoods on the island known as Westerhall Point, it sits on waterfront land that has approximately 12 feet in depth at the end of the jetty. It has previously accommodated a 42 ft. Catamaran. With cooling breezes from the East gently caressing the bay, Fiddlers Green boasts an adorable and cozy Sea Pavillion that leads out onto a jetty. The main house comprises two levels with a 2 bedroom/2 bathroom guest quarters on the lower level. On entry at the upper level, there is an attractive Courtyard with refreshing swimming pool, a fully equipped gourmet kitchen, dining room with beautifully finished bar, living room that opens out onto the veranda and another dining/relaxing area overlooking the bay. Approximately 4 bedrooms in total with a multi-purpose room off the pool area that can easily be converted into a 5th bedroom. Sitting on over half an acre of land, the garden is rich with tropical flowers and fruit trees including banana, citrus and pomegranate. Approximately 20-25 minutes from the International Airport, downtown St. George's and the St. George's University. The house will be sold as is where is.
