Remarks
<p>This fantastic, very well maintained apartment, located on the first floor, you will find in a truly unique location on the Penstraat, directly on the Caribbean Sea.</p> <p>The spacious living room with open kitchen is adjacent to a large covered terrace. Here you can enjoy the spectacular sunset in a refreshing breeze. That is also possible in your own jacuzzi, just outside the terrace.</p> <p>Right next to the living room is the master bedroom with a bathroom en suite and a walk-in closet. This bedroom also has access to the covered terrace. Furthermore, this great apartment has two extra bedrooms that share a bathroom and a large storage room. But this is not all! There is a separate apartment for your guests, with its own entrance. It has a living room/kitchen, two bedrooms and a bathroom and is of course also excellent for (holiday) rental.</p> <p>The large swimming pool, also located on the property, with sanitary facilities, invites you to take a refreshing dip or to maintain your fitness level.</p> <p>The site is accessible via a remote-controlled gate. There is sufficient parking space available.</p> <p>We cordially invite you to convince yourself of the exceptional qualities of this special apartment. Therefore, do not hesitate to make an appointment with one of our brokers.</p>
