accommodate up to a 40-foot motor yacht. The property is a tastefully decorated four-bedroom home on one quarter acre of land at the water's edge. The house is constructed of solid reinforced concrete with a Spanish style red tile roof and ceramic tile flooring throughout. The living and dining room areas open out to the veranda and pool deck. The house faces east to take advantage of the cooling trade winds. The main level has a high vaulted beamed ceiling in the kitchen, living, and dining areas and a wet bar in the living room. This level also houses a half-bath, the guest room, and the master bedroom which has a full bath, lots of closet space and opens onto the veranda pool area. The upper level has two bedrooms, each with its private veranda, sharing a full bathroom. The highly desirable neighborhood of Lance Aux Epines is approximately 10 minutes from the Maurice Bishop International Airport and approximately 20 minutes to the town of St. George.
