### Remarks

Large and beautiful F5 apartment at the top of a villa in Trois-Rivières. This bright accommodation of 133

m² of living space is a true haven of peace with its three spacious bedrooms including a master bedroom with its adjoining bathroom, the large kitchen, completely renovated with taste and well equipped (built-in oven, microwave, hob 4-burner cooking stove, hood) is very functional, an equally large living room as well as two terraces offering a view of the Saintes reinforce this feeling of tranquility, the apartment also includes an additional bathroom, a separate toilet, a hallway -corridor. The environment is particularly pleasant with Grande-Anse beach 5 minutes by car, and some renowned restaurants 3 to 5 minutes by car as well.

Furthermore, if you work in Basse-Terre, the city is only about a quarter of an hour away by car, a bus stop allows easy accessibility to the main cities.
