Remarks

Not only one of Grenada's finest private Villas. It is ideally suited to be converted into a small, gated community. The main house could be split into two large semi-detached houses and an additional house could be added.

The tiny beach house could be rebuilt and increased in size.

Situated seaside on a private garden estate, L'Anse Aux Epines House & Gardens features two luxury holiday vacation properties: the Main House with seven en suite bedrooms and The Sugar Mill Tower with two en suite bedrooms. Total under roof, about 11,000 sq ft including terraces and Tiki huts. Built in 2007. Enjoy the idyllic seclusion of this luxury estate and its lush tropical gardens. Watch spectacular sunsets reflected in our grand, infinity-edge swimming pool. It features a deep-water dock and moorings that can accommodate your yacht, sailboat, or power boat.

Ideal as a second home or investment property. Rare investment opportunity to take advantage of the vacation rental market demand.
